

THERE'S A PERFECT CAMP EXPERIENCE FOR ALL OF OUR KIDS.

We offer **two different camp programs** grouped by age. Each program is run by our professional school staff who are uniquely skilled and fully credentialed. Our programs are tailored to take full advantage of the wonder, curiosity, and spirit of children 18 months–5 years. We look like we're playing, but we're always learning something. Our exceptionally low counselor-to-camper ratio provides the most personal, enriching camp experience anywhere.
